1. Email of Request — Missed Lecture

Subject: Request for Lecture Notes and Updates

Dear Professor,

I hope you are doing well. I was unable to attend the recent lecture as I was unwell, and I would like to catch up on the topics that were covered.

Could you please share the lecture notes or slides with me, if they are available? I would also appreciate it if you could let me know about any important announcements, assignments, or updates that I may have missed during the class.

I will go through the material and make sure I catch up before the next lecture. Please let me know if there is anything else I should refer to.

Thank you for your time and help.
